Bristol Area Down's Syndrome Support

Avon Valley Country Park Sat 2nd March

Helen England has organised a get together at the indoor play barn at Avon valley country park on saturday 2nd March, 5pm til 7pm. BADSS has sole use for 'The little Gems group' which is for all families with children aged babies through to 10 years. But due to the size of the place and size of the play equipment, older children are more than welcome to join us.

The cafe will be closed but you are welcome to bring your tea and drinks etc.. Perhaps the times are not ideal but this is the only time we can have sole use for the group. There is lots of fun slides and equipment and a smaller toddler/baby area so please join us for a fun evening. Please let Helen know if you would like to come so she can add you to the list on the door. We would appreciate a small donation from each family to help cover costs and this will be collected on the door.

Thanks

Helen England
