Welcome to the Autumn Newsletter

After a successful schedule of Summer of activities it is now time to think about Christmas.

Please find below details of our forthcoming events and do not hesitate to contact the named person if you require further information. We still have a few vacancies and would love new members to come along and take an active role in BADSS. We welcome new ideas for activities or support in all areas and feel the younger children are currently under-represented at present.

HOP SKIP & JUMP

As previously reported many of you may have seen the pieces in the Evening Post, on the television news, and heard on the local radio that parents have been objecting to the way changes are being introduced at Hop, Skip and Jump.

Following the sit-in on Saturday, parents believe that the Trustees (via the PR consultants they have hired) have made a commitment to a consultation and to meet with representatives of the members of the centre. However, the centre is currently closed and internal changes are still going ahead this week.

A meeting was held on Wednesday 12th October 2011 in Kingswood and we await further details from Caroline Temple-Bird.

If you wish to offer your support please contact her on bristolparentcarers@gmail.com

Please bear in mind that she is a volunteer for Bristol Parent Carers with a disabled child of her own and please be patient in waiting for a reply.

There has been interest in starting a new Down to Earth (15+) group and at present we are in the process of collecting names. Email paul.simson@btconnect.com
