

Bristol Area Down's Syndrome Support

10-13 June 2011

I have eventually got a commitment out of Parkdean on Ruda 2011. Our terms are not as generous as previous years but the residual funding from the Aiming high money means we can continue to offer the holiday at our usual rate of £150. Availability is limited due to a change round in location of many of the Appledore caravans. Consequently I have only firmly booked 25 caravans.

If you wish to be as close together as is possible you need to commit now. If you would like a caravan please send me £50 by 15 Jan 2011. I will allocate caravans on a first cheque first serve basis. If I get a higher response than 25 I will confirm I can secure additional accomodation as required, however I cannot guarentee either location or type of caravan. Every familiy will of cause recieve the same subsidy of £105, not including additional bookings for family members. If you have any other requirement such as a longer stay please contact me directly and I will endeavour to meet your needs.
